Take a savvy approach to weekday tailoring with Moss 1851's grey three-piece suit.

Crafted in wool-rich cloth with a characterful twill weave that bends to the occasion, it's cut to the brand's featured tailored silhouette to create strong lines with a natural fit across the chest and shoulders.

The hue is versatile so feel free to add some colour with your choice of shirt and accessories. We reckon a printed pocket square will give it just the right amount of pep.

Tailored Fit Grey with Blue Check Jacket

RRP €699 KV Price €229

Vitale Barberis Canonico is Italy's oldest fabric mill and it uses only the finest raw materials before washing, spinning, dyeing and hand-finishing them in-house.

The mill's quality craftsmanship is reflected in its luxurious cloths. This one is made with 90% wool, which gives the bold check a refined finish. We've half-lined the jacket for comfort and breathability. It also has a contrasting undercollar for classic detail. Cut in a tailored fit, it will highlight the shoulders and chest while tapering through the arms.

Wear over a knit on cold days or dress it up with a plain shirt and tie for formal occasions.
