A Romantic-style landscape painting. The scene depicts a river flowing through a lush, green landscape. In the foreground, a large, dark rock sits on the left bank. A path leads from the right bank towards the center, where a small figure of a person in a red coat and hat stands. A large, leafy tree dominates the middle ground on the left bank. The background shows a distant horizon with more trees and a small building. The sky is filled with large, billowing white and yellow clouds, with several small birds flying. The overall mood is serene and majestic.
