

RIXO

MODERN LOVE

This is bridal, but not as you know it. Design details lifted from vintage styles. Silhouettes perfected for the modern bride. Accessories for the finishing touch, pieces you'll wear again. Styles made for self-expression, for breaking with tradition, and for the bride who'll wear them in her own unique way.

YOUR SOMETHING NEW

To complement your something borrowed and something blue. Timeless accessories inspired by true vintage finds that you can wear long after your big day.

NOT YOUR TYPICAL BRIDE

Classic but cool, retro yet refined and always uniquely themselves. The RIXO bride puts their own twist on every part of their big day. From disco-era embellished minis to 1930s-inspired silk gowns and fanciful feathers, there's no shortage of inspiration from these brides.
