FALL – WINTER 24

La collection FW24 incarne l'**allure française**.

À l'image de cette femme qui a toujours inspirée Judith Milgrom, le vestiaire automne-hiver se révèle **versatile et intemporel**. Composée de pièces emblématiques du **chic parisien**, la collection sublime des **coupes impeccables et un style elevated** : le bon jean clair, la veste militaire, une maille blanche, une fausse fourrure cool, et un pantalon noir parfait comme une robe drapée. Le tout est parsemé de paillettes et d'accessoires à la sophistication décontractée, signature indéniable de Maje.

Cet hiver encore, la femme Maje, **libre et audacieuse**, continue d'écrire son histoire à travers un vestiaire qui transcende les saisons.

The FW24 collection epitomizes **French elegance**.

Inspired by the woman who has always been a muse to Judith Milgrom, the autumn-winter wardrobe is unveiled as **versatile and timeless**. Composed of iconic pieces of **Parisian chic**, the collection showcases **impeccable cuts and elevated style**: the perfect light jeans, a military jacket, a white knit, a cool faux fur, and flawless black trousers akin to a draped dress. The ensemble is adorned with sequins and accessories of relaxed sophistication, an unmistakable signature of Maje.

This winter, once again, the **free-spirited and bold** Maje woman continues to write her story through a wardrobe that transcends the seasons.
