SPRING – SUMMER 25

La collection SS25 incarne l' **élégance contemporaine**.

L'individualité, l'énergie et la liberté, trois valeurs de la saison qui s'expriment sur des tops en dentelle associés à des shorts au style utilitaire, des imprimés audacieux qui sculptent les silhouettes décontractées, des teintes fortes irradiant sur des robes fluides. Les jeux d'ombres et de lumières, les textures et la fluidité des lignes mettent en relief l'assurance de la femme Maje et son aisance naturelle à conjuguer modernité avec féminité.

Avec sa touche éditoriale, cette campagne redéfinit les essentiels de l'été d'une femme authentique, polyvalente, au style affirmé et intemporel.

Entrez dans l'univers d'un Maje estival, où le charme d'une maison de campagne française se mêle à l'élégance audacieuse et moderne d'une femme en phase avec son temps.

The SS25 collection epitomizes **contemporary elegance**.

Each look is styled to reflect a sense of **individuality while embracing the freedom and energy of the season**. Lace tops paired with utilitarian shorts, bold prints on relaxed silhouettes, and fluid dresses in radiant hues. The interplay of light, shadows, and textures highlights the self-assuredness of the Maje woman and her ability to effortlessly mix femininity with modernity.

This campaign redefines summer essentials with an editorial edge, spotlighting pieces that transition seamlessly from relaxed to refined. It speaks to a woman who values authenticity, versatility, and a sense of style that feels both relevant and timeless.

Step into the world of Maje this summer, where the charm of a French summer country house seamlessly blends with bold, modern elegance.
